

Lesson: G104

A car accident

Aim: To practice past simple/continuous and driving vocabulary

A. Identify the parts of the car:

bonnet tyre headlight bumper boot windscreen

B. Discuss some possible causes of crashes with your teacher:

speeding using a mobile phone being drunk not looking or being distracted

C. Imagine you have been in a car accident. Complete the dialogue with the Police:

Police: What _____ in the crash? (happen)

John: I was _____ along (drive) South Street when a blue truck suddenly _____ (appear). It _____ (turn) out of a side road without looking. He _____ (shoot) into my lane and hit the front passenger side of my car. I think he _____ (speed) because he was going quite fast and didn't stop at the junction. He just _____ (keep) on going. I _____ (can't) stop in time.

Police: And then what happened?

John: The man _____ (got) out of the truck. He was angry and _____ (blame) me.

Phone English

D. The Police have more questions. Unscramble them - then answer them:

- your /car /describe / you / can ? _____

- there /any / were / witnesses? _____

- Whose/ was / it / fault ? _____

- Did / get / you / the /insurance /details / from /other / driver / the ? _____

- Have /insurance / you / got / and / MOT ? _____

E. Now role-play reporting the following to the Police:

- At the traffic lights a car bumps into the rear of your car.
- You see an accident. A car hits a pedestrian on a zebra crossing. The driver was using a mobile phone.
- While you are tuning the radio, you hit a car which is backing out of a parking space in Sainsbury's car park.

F. Have you ever been in a car crash - or seen one? What happened?

G. Homework:

Choose another option from 3. Write a report to read to your teacher next time.
