

Phone English

Lesson 1

Welcome to Phone English!

Aims: for us to get to know you and to find out about your level and language needs. For you to find out a little about your teacher too!

- A. Hello! Your teacher will ask your name and find out some information about you
- B. Talk about your job, where you work, and a little about your country
- C. Now ask your teacher something about themselves
- D. Now your teacher will ask you to talk about some of the following topics from the list below

- Your typical day
- Your free time interests
- The place where you live
- Your last holiday
- Whether you've been to an English speaking country
- What you think you will be doing in 2 years time/5 years time
- What would you do if you won the lottery?

E. Your English

- Have you ever been to England/English speaking country?
- How long have you been learning English?
- What are your learning objectives?
- What do you need to do in English? Need to improve most? And so what would you like to concentrate in lessons?
- Do you like lots of correction?
- Are you able to do some homework?

F. Correction, summary and a plan for the next lesson

G. Homework

Please write 5 sentence about yourself for next time.
